

TOP 35 RETURNING WRESTLERS IN DISTRICT 10 AAA

Compiled by Rob Coleman on 11/26/11

This is a list of the top 35 returning AAA wrestlers in District 10. My rankings are based upon who I think has the potential to create the most noise come the post season. My opinions were based on a couple of criteria.

- 1) How wrestlers faired in the 2011 post season.
- 2) Season record.
- 3) Personal observation from last season.

Remember that this list is purely subjective. It was compiled to create some conversation and some buzz for the upcoming season. The beauty of wrestling is that from year to year things can be completely different.
